

*De Beauvoir Primary
School
Garden Project*

January 2006 - ongoing

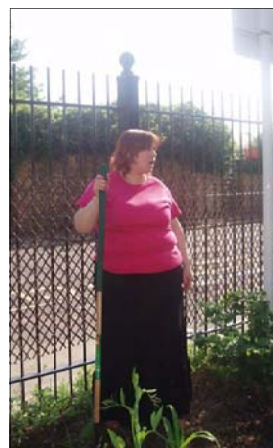

*De Beauvoir Primary School
Garden Project
January 2006 - ongoing*

*Parents, teachers and pupils
working together with ecoACTIVE
staff and volunteers to improve
the school grounds for people and
for wildlife.*

*The Garden Group are keeping a
diary to record progress,
including information and
drawings of plants, a record of
wildlife species, pressed flowers
etc. Jo from Kids Company is
working with children to create
artwork and a mural while
everyone takes part in
watering, digging, putting up
trellis, making planters and
deciding on future plans*

Preparing the ground.

Watering newly planted seeds.

Children working with Craig to create planters from reclaimed scrap wood

Transplanting seedlings to the new planter.
