

GOODBYE TO YOU

Now it's time to say goodbye
Say goodbye to each other.
When we meet again we'll sing
Welcome to sister and brother.
So long to you
Fare thee well, adieu
Go well and stay well,
See you another day soon
Good bye to you
Good bye to you
Good bye to you
Good bye to you

(This section is sung as a round on the recording)

Now it's time to say goodbye
Say goodbye to each other
