

CV - Emeka Ehiogu

Age: 25 years old

Address: 3b Amhurst Road, Hackney, London E8 1LL

Telephone: 020 898XXXXX

Pesonal profile:

As a wheelchair user I have tackled many challenges which have influenced my career choices. I am focused on providing accessible buildings for all and this has been shown in the public buildings in my portfolio. I am hard working, dedicated and reliable, and would make a great member of your team.

Employment:

May 2008 - January 2009: Stockdale & Reid Architects, 113 High Holborn, London, WC1 3JU.

Projects: I was part of the team who designed the Velodrome for the 2012 Olympic site, this involved creating blueprints and models to pitch to the Olympic committee.

September 2006 – July 2007: Macmillan & Partners Architects, 3rd floor, Canary Wharf, Docklands, London, E14 4NU.

Projects: My year's work placement was spent in Tokyo working on space-saving solutions for the head offices of a global electrical goods company.

Education:

October 2001- May 2008: Oxford Brookes University:
2:1 Architecture

Sept 1994 – Oct 2004: King Edwards Secondary School, Edgbaston
A Levels – Art & Design (A), Maths (A), Geography (B), General Studies (B)
GCSEs – 3 A*s, 4 As, 3 Bs, (including Maths, English and Science).

Hobbies & Achievements:

Silver medal – West Midlands Disability Sports championship 2000 – Long distance swimming.

Editor, The Brookes Bugle, University newspaper. (2000-2001)

Reading crime novels.

Travelling.

Chess.
